

What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices (Courtesy Overdraft Privilege) that comes with your account.
2. We also offer overdraft protection plans, such as a link to a savings account (Automatic Transfer Service), and personal Overdraft Lines of Credit. These may be less expensive than our standard overdraft practices (Courtesy Overdraft Privilege). To learn more, ask us about these plans.

This notice explains our standard overdraft practices (Courtesy Overdraft Privilege).
